A LETTER FROM OUR GENERAL MANAGER

Happy Holidays OLC Family!!

Thanksgiving is just around the corner and before we know it, we will be celebrating the joys of the Christmas season!

2021 has been a roller coaster of business for the OLC. This was my first season seeing what the whole picture looks like during our peak season with member dining and adding back private parties for the summer. The OLC has exceeded its goals, not only in revenue for 2021, but also with controlling our expenses. For the first time in a long time the OLC went on a waiting list for membership—what a wonderful thing to have happen to our special club! As we move forward into 2022, we have two new members that will be joining us at the beginning of the year and becoming lake residents in the spring and summer of next year. This brings our waiting list down to one, with additional inquiries for membership, weekly.

I want to take this opportunity to express my gratitude to the team I am fortunate enough to work with. All of them have worked tirelessly through 2021, tackling multiple dinner services and private events over consecutive days, if not entire weekends. They give more of themselves than most of you will ever know. THANK YOU Chef Nancy, James, Jared, Rick, Jenny, Maddy, Sandy, Tony, and all of the staff. While we were shorthanded most of the season, your positive attitudes and “can do” work ethic helped us to have a truly successful 2021!!

We have set very high goals going into 2022. It is our hope that we will see work force shortages diminish and have ample staff to serve our OLC members. If you, as a member, know of anyone in the hospitality industry that would be a great fit for us please send them our way. We welcome the opportunity to add to our staff in all departments.

Thank you to all of the members that have sent in their contribution to the Employee Holiday Bonus fund. As in past years, we look to distribute these funds to our staff prior to the holidays, mid-December. If anyone wants to contribute please feel free to reach out to myself or Maddy via email or send in the donation form that was mailed to the membership in early November. All donations are appreciated!

We wish all of our members the happiest of holiday seasons! If you are a member that goes south for the winter, we wish you the best & safe travels from Wisconsin. For those members that reside locally, all year-round, we love seeing you at the club, and hope to see you for dining or for one of the special events that we have created for you!

All the best,

Julie Bartol

Thank you again! – The Staff at OLC

A LETTER FROM OUR COMMODORE

Happy Holidays, OLC!

I am officially two months on the job as Commodore at your OLC, and the deeper I get into the organization the more impressed I am by our amazing staff and the shared vision we have on how to take club to the next level. Our focus on enhancing the member experience has already begun. Our membership committee has been hard at work on a number of initiatives, one of which has focused on our new member onboarding experience. We had great participation in our new member survey which provided valuable insight for us to put a new onboarding process in place in the new year.

As we finish up our 2022 budget, we are finalizing plans for exciting capital improvements at the club, including the remodel of Sam's Bistro in January, enhancing the outdoor Dockside experience this summer, sprucing up our hard courts and expanding our pickleball offering, rolling out our new technology for online reservations, and so much more. Most importantly, we have focused our efforts on how to ensure we are staffed appropriately for the busy summer season in this difficult labor market, and ensuring our staff is formally trained to provide you

and your guests with a high level of service you can consistently expect.

As the holiday season kicks off, I hope you will stop in to see our beautifully decorated club. I encourage you to take advantage of all the club has to offer including a specially prepared Thanksgiving feast, entertaining in our "Fire and Ice" terrace, the amazing Dickens Christmas dinner, Breakfast with Santa, and more. And finally, I hope you find it in your heart to donate to our wonderful OLC tradition – the Employee Holiday Fund. Our amazing staff gave us their all this past year, let's thank them appropriately!

These are very exciting times for the OLC and I am thankful for the outstanding work of our previous Commodores, Board of Directors, and staff to have us in a position to take the club to even greater heights.

See you at the club!

Fuzzy Marek
