# Club Update

Dear OLC Members,

The Board of Directors is very pleased to introduce our new General Manager, Kathy Burch-Fox. Kathy has 22 years of private club experience and comes to us from Westmoor Country Club in Brookfield where she was Director of Dining Room Operations. During her 16 years at Westmoor she developed very strong relationships with members and staff and is excited to bring her experience and expertise to the OLC. Kathy has a particular focus on providing members with the highest standard of service and making them feel as though their club is their home away from home. Please join us in welcoming Kathy to our club!

Your Board of Directors

Lake Club Members,

This month's Docket is filled with a variety of new and important information. First, on behalf of myself and the management team I would like to extend a warm welcome to Kathy Burch-Fox. She will begin her new role here at the club on November 29th. We look forward to working with her to improve and grow the OLC.

Enclosed you will find an end-of-year Survey that I encourage you to complete to help us improve your club experience. You have the option of completing this online at Survey Monkey or completing the enclosed copy and mailing it to the club. Commodore Jef Fitch has also included a listing of the OLC committees and their respective Chairs. Consider volunteering to help on one of the committees. This is a great way to meet other members and get to know more about the club itself.

Just in time for the holiday season Nicole Waltersdorf and Michele Pawlak have put together an online OLC shop at <https://oconlakeclub2016.itemorder.com>. There are a number of great OLC logo items, perfect for gift giving.

Looking ahead, the holiday wine fair is Saturday November 12th in Sam's Bistro from 5:30 to 7:30. This is a perfect opportunity to stock up on wine for the holidays at great prices. More information on the wines is included in the Docket.

Thanksgiving is just a few weeks away. If you are planning on celebrating with friends and family at home, Chefs Nancy and Arnie can take the stress out of entertaining. The OLC is offering three opportunities for you and your family to enjoy the week.

- We are offering a special Family Night Dining at the Club on Wednesday night before Thanksgiving. Everyone will enjoy this Mexican Buffet
- Take advantage of the OLC Thanksgiving dinner to go. Pick up is on Thanksgiving morning this year. Order a complete dinner or extra dishes to round out your dinner.
- Saturday we are offering a fantastic Soup, Salad, and Sandwich buffet that's perfect for your extra house guests, family, or after a busy day of holiday shopping.

Look for information in the Docket on the Holiday Food Drive in support of the local food pantry. Sigi Miller is coordinating a special collection night at the club on December 9. Celebrate the season of giving with your OLC friends.

We still have dates available for catering and holiday parties. Catering is available at your home or business. Too busy during December to fit in a party, consider hosting your party after the New Year. Contact Sue White for more information and a party planning guide.

See you at the Club.

Mary Wean

Chief Operating Officer

# Sailing News

*The 2016 sailing season is officially done for the season now that the MC Sailing Banquet is over. It was a busy year having hosted three sailing events at the Club. We all talk about how short the summers are, but this one really went fast. I know everyone had a great time.*

## MC FLEET

It was another tough sailing season this year due to the weather. We either had no wind, too much wind or rain this year. Of the 26 scheduled Sunday Series races, we were able to sail 10 races. Thursday nights were not any better. All we can do now is hope for better wind next year. On the positive side, we completed our 7th season of sailing MC's. We had a total of 10 boats registered to sail. I am really proud of the continual improvement by our sailors. Our boats are sailing much closer together.

Twelve races committee members oversaw our sailboat races this year. A big "THANK YOU" goes out to our excellent Race Committee. Without them we would not have a fleet of MC's and sailboat races. Also, without them, it would not be nearly as much fun sailing. This season, we hosted the fourth annual Zenda University Training Regatta that was a huge success. Eighteen sailors from 4 states participated in the training. It is amazing how much you can learn from two days of intensive training. We are making plans for 2017.

In 2016, the OLC hosted the Wisconsin MC Championships. Our two-day regatta changed into a one-day regatta due to light wind conditions. However, 42 sailors participated in near perfect Sunday wind.

**The OLC Fleet is looking for new sailors to join the fleet!!! We want to keep our fleet growing.**

Please contact us if you are interested in getting involved with sailing. Please call me at 414-745-3341 or email me at [jff@wi.rr.com](mailto:jff@wi.rr.com) if you are interested.

See you on the lake next year!!!

Jeff Fellows

OLC Sailing Chairman

## OPTI FLEET:

*The Opti program had a busy sailing season. The OLC sailors had strong participation at Wednesday night races and at off-lake regattas. Also, the OLC hosted the annual BOPN X-boat and Opti regatta. A big "Thank You" goes out to Craig Schiefelbein for overseeing the Youth Opti Program this year. Craig's help was instrumental in the success and fun our OLC sailors had this year.*

Hello everyone! I hope you all are having a fantastic fall! I have to say I am missing the kids and being out on the water. I often find myself thinking about this past summer and the fun that was had. We had such a great turn out of kids. I could not be happier! I want to thank all the parents, kids, and staff for making this past summers one of the most memorable ones for me.

At this time, I would like to send off a star sailor of Oconomowoc Lake Clubs Sailing School, Jackson Walker. Best of luck in X-boats and 420's Jackson! We will miss you dearly.

The summer was fantastic with the Wednesday night Series at an all-time high with sometimes up to 7 kids! That's 5 more than the previous year! Coach Molly was a blessing to have and made things go smoothly. We had more than 12 kids in our beginner class that I now can confidently say that they all can sail well and improved immensely. Also, the experienced Opti class competed in many regattas and Wednesday night races, seeing much improvement. The Racing Opti's class was busy with intensive training on Friday's and frequent competition in the Lake Country Opti's (LCO) program. Most sailors in the class did competed in the LCO training events!

Again, I want to thank everyone for a fantastic summer and I hope everyone has a fantastic year!

Roger Raguse

Lead Instructor

# The Season of Giving is Upon Us

## and the OLC Food Drive is back!

**With this help we serve a great need in our community.**

The Lake Club is proud to once again help with providing food for families in need within the Oconomowoc area. Our local food pantry serves between 600-800 individuals each month. The need increases during the winter months. By providing non-perishable food items, household items such as laundry soap, toothpaste, shampoo... along with monetary donations which are greatly appreciated. The food pantry also gives vouchers for milk, bread, eggs, meat, etc., with the monetary donation.

Once again OLC will be placing a food barrel within our lobby along with a "donation box".

**Our food drive will begin November 17<sup>th</sup> and run through December 23<sup>rd</sup>.**

**Friday, December 9<sup>th</sup> will be a Designated food drive evening.**

Please come dine in the Commodore Room and bring a donation for the drive. Welcoming others to join us will help our profile within the community, making it a special evening to give back. I hope you will all plan on attending, along with bringing items to place into the barrel or donation box.

***Thank you in advance for your generosity.***  
***Happy Holidays***

### Oliveira Selections Quinta De La Rosa Reserve Douro Red

*Vinhos De Portugal!*

(Brought by Lo Duca Bros)

Gorgeous dark violet. Aromatic and intense with generous fruit on the palate. Driven by blackberry and cranberry fruit, dark chocolate, almond and a focused amount of tannin that tickles, but will not overwhelm. Evenly balanced, enduring finish. Traditional, yet unencumbered.

### Travaglini Gattinara Nebbiolo

*Esteemed Italian Standout!*

(Brought by Badger Liquor-Wine Division)

Travaglini is a family-owned wine estate in the tiny Gattinara appellation within north Italy's renowned Piedmont region. Established in the 1920's, the winery is Gattinara's most recognized producer of traditional, limited-production wines from the Nebbiolo grape (known locally as "Spanna"). James Suckling- "Extremely perfumed with rose, dark-fruit and strawberry aromas and flavors. Full body, firm tannins and a clean, crisp, finish. So delicious to taste. Drink now."
