

ENGAGING EVENTS

by Sue White

There's lots going on at the Lake Club this summer! Dockside is opening this month on the 21st and with the added decor it will be a gorgeous, al fresco dining destination.

Every third Friday of the month, you'll get to enjoy our new 'Live on the Lake' series at Dockside. Come sample our new small plates menu while you listen to live music and enjoy the gorgeous summer weather! Dining starts at 5:00pm and the music will play from 6:00 - 9:00pm in May. In June and July, as the weather gets warmer, music will be from 7:00 - 10:00pm.

We're also bringing the Dog Show and Doggie Dining back to the Lake Club on Sunday, June 28th from 3:00 - 5:00pm. Adults and kids are invited to bring their furry friends to compete in categories such as best costume, best look-alike, and best in show while competing in fun games like musical chairs - all for only \$5 per entry! Afterwards, bring your doggie along to dinner at Dockside for a well-deserved treat!

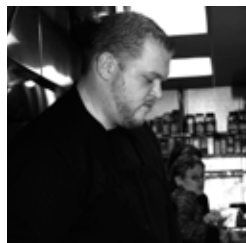

Father's Day is also coming up fast and what better way to celebrate than to make your reservations at Dockside. Enjoy our delicious brunch buffet or dinner while you treat your dad to a delicious meal and time together as a family.

No matter what the occasion, the Lake Club is here to cater to your needs all season long. Contact us today to put together a unique and special event for your friends and family this summer.

EXCITING EATS

by Chef Cole

The Lake Club Food & Beverage staff have been working hard to bring our members new and delicious food experiences. Our first ever Seafood Cooking Class in April was a resounding success. We're already planning a barbecue class in the coming months!

With Dockside opening up this month, I'm excited to introduce some new items to the menu, namely our new selection of fresh, grilled paninis! Create-Your-Own-Salad, one of last year's favorites, is also back on the menu. We're working closely with the Oconomowoc Farmer's Market, getting the first picks so we can bring more local foods to the Lake Club dining experience.

The members spoke and we listened: Sunday nights will now feature fried chicken on the menu! A favorite from Wednesday Night Family Night, you can now order an 8-piece fried chicken meal with all the fixings. Order it ahead of time and you can even pick it up to take home or have dinner on your boat!

Pig 'n' Pinot on the pier is back Sunday, June 14th! We've got some unique pinot noirs coming in just for this event. You won't want to miss this fantastic gathering full of tasty food, flavorful wines, and tons of fun with your fellow members. Make your reservations today!

SWEET TREATS

Kathy Budda

Spring and summer are the best time to enjoy fresh baked fruit pies! There are so many wonderful fruits and berries that are ripening just in time for some mouthwatering baking.

One Lake Club favorite is our Tri-Berry Pie - a sweet combination of blueberries, raspberries, and strawberries with a lattice-topped, buttery crust. Nearly all our fruits are sourced locally with lots of yummy heirloom varieties that provide fresh and complex flavors.

Keep an eye out for some local, seasonal desserts on our menus - coming soon!
