Happy October, OLC!

Our members have been enjoying the fall tennis out on the tennis courts. We seem to be full regardless if it is a drill during the week, men or ladies drill on Saturday, or mixed doubles on Sunday. We would appreciate it if you would continue to make tennis reservations.

This past week with the President reminds us as we move indoors, please wear a mask. The board's most significant fear since COVID started is an outbreak with the OLC team. We have been diligent and have avoided an outbreak to date. Our financials are fragile by the lack of private events, and it would be horrific if we needed to close the OLC for a quarantine of the staff. We appreciate your diligence as we move into the holidays. As the weather turns, we are working on options to enjoy the club and get out of your house and be comfortable. For example, would you like to host a small private dinner party next to The Great Hall's fireplace? Watch your mailbox for options as the weather turns colder.

All the best,

Bill Sturm
Commodore

A LETTER FROM OUR GENERAL MANAGER

Welcome to October! To say we have been blessed with some great fall weather this year is an understatement! Just two weeks ago, the Club saw one of its busiest Friday nights with our members at the Club. That evening even exceeded our busiest Friday in July!

The early part of each week is quieter here at OLC while department heads work on getting re-organized after a busy summer season. This past weekend was the last weekend that the kitchen staff will be cooking in the Dockside kitchen and have started moving up to Main (Commodore Room), for the remainder of the off-season. We look as if we may have a couple of more nice evenings ahead and will try our best to accommodate our members on the pier for those evenings.

As mentioned by Commodore Sturm in his portion of this month's Docket article, OLC would be happy to help our members with any celebration, big or small. Please feel free to reach out to me if there is anything we can do to assist you with an upcoming special event.

Please continue to utilize our Curbside Pickup menu, Chef Nancy has been keeping it interesting. If you have any favorites you would like to see, please feel free to send Chef Nancy an email at nancy@clubolc.com.

With the new mandates in place, many of the items we have had planned for this fall season are questionable & on hold until we see where this beast COVID takes us. I encourage all of you to please watch your emails as this is where we will be sending updated information weekly on what is happening at your club.

Lastly, PLEASE plan on joining us for Trunk or Treat on Saturday, October 31st, 2020, from 4:30 to 6:30 pm. We encourage you to come up with a great idea, decorate your car, and join us in the OLC parking lot and take part in the Halloween spirit! I know I can't wait to see the kids and what they've come up with for their costume of 2020! Please let James know if you will be participating so we can have the best 1st Annual Trunk or Treat at the OLC.

I look forward to seeing those of you who are still local very soon, and to those members that have already left for their winter locations, we wish you the best remainder of 2020!

Enjoy the day,
Julie Bartol
