HORIZONS OF OUR FUTURE

WELCOME

Thank you for attending this formal evening at the OLC as we raise a glass to our future. Thank you to all of our very generous members who have made the updates around the club possible, we could not do it without you. This evening will be about our continued updates happening around the club. Sam's Bistro, Dockside, and the Main Foyer are the remaining interior projects and we are very excited to see the continued growth in all areas of the Club.
