DOCKET

JUNE 2020

262.567.4934 | oconomowoclakeclub.org

Dear Membership,

Can you believe summer is here? This first week of June certainly feels like summer. We know that change is hard but very much appreciate all of the members making reservations. If you need any help making a tennis reservation or dining reservation, please let us know we would be happy to help! By making the reservation allows the team to continue to make our environment safe. The OLC team has been working especially hard on the quality of food. They have created the best fish fry in Lake Country. Give it a try and let me know what you think!

As we look forward to this summer, the Village of Oconomowoc Lake has moved the 4th of July fireworks in front of the OLC. If you have had the opportunity to witness this show, you know how spectacular it is. Please make a reservation to reserve your table. This firework show is funded entirely by donations. Please consider a gift to the Village to keep this great past time of ours going. All tax-deductible donations can be sent to the Village at 35328 W Pabst Rd.

Yours in the OLC,

William Sturm

A LETTER FROM OUR GENERAL MANAGER

June is upon us and how wonderful it is!! We are getting to see more and more members every week, on the pier, on the courts and in their boats! With the uncertainty this spring brought to us seeing our members has brought a renewed life into OLC.

Most of our staff is back for the season and you should see some familiar faces (even through the masks) along with a couple of new staff members to round out the OLC crew. It is our goal that they are making your time here at the club as enjoyable as possible as well as serving you outstanding food and beverages.

It has been a wonderful surprise to see just how many of our member's children and grandchildren are signed up for the Kidventures and Annual Kids Camp this summer. The numbers have exceeded

the last 3 years for each camp!! Maggie has been working very hard to develop an outline for each day that will keep your children engaged, excited and wanting to come back the next day to see just what is going to happen. Friday Fun Day starts this Friday and runs from 3 pm – 5 pm. Children ages 4 and up are welcome to join in on the activities and if you have some younger children you are more than welcome to bring them, we just ask that the parent stays close by for all of the activities.

We have made a bit of a change with our management team just a week or so ago. You will now see more of Jenny running the serving shifts with the servers and bussers, along with James on our busier nights. This will free up James and allow him the time needed for all of the membership inquiries that have been coming in as well as allow him the time to be creative and come up with some outstanding events for our members.

Father's Day is just around the corner and Chef Nancy along with Sous Chef Tony have come up with a wonderful brunch and dinner menu for dad this year. Please be sure and make your reservations soon!

The 4th of July is less than a month away as we plan to celebrate our great country! We will be offering a "staff served" buffet this 4th starting at 5 pm. Again, make those reservations just as soon as you can. We will be serving from the Dockside menu for lunch that day. You are welcome to eat at the club, call in a to-go order or let us know if we can get something out to you on your boat when you pull up to the pier. OLC will have THE BEST viewing of the fireworks from what I hear as they have moved them to the middle of the lake this year. We have the Great Hall available if you want a little later reservation and would like to enjoy the fireworks from the terrace. First come, first served for the Great Hall reservations. We will have dining inside the Great Hall to allow more people are able to watch the fireworks from the terrace.

I look forward continuing to meet more and more of our OLC members as we get further into our season.

I hope that all of you continue to stay safe and healthy and that we see you very soon at OLC!

Enjoy the day!

Julie Bartol
