FROM THE COMMODORE

The 125th celebrations are fast approaching as August is just a month away. Saturday, August 15th will be a spectacular black tie event. This Great Gatsby themed 125th Anniversary Ball is going to be the highlight of the summer. We'll enjoy cocktails, appetizers, dinner, fireworks, live music, and dancing. Our featured musician for the evening will be the George Busateri Band. The club is now accepting donations to help fund this gala.

Want to make the most of this event? Then I encourage you to coordinate a group of friends to reserve a table together. Be sure to call the club to inform them of who will be seated with your group.

Can't wait to see all of you there!

MESSAGE FOR THE MEMBERSHIP

I would like to introduce a new reciprocal club opportunity for OLC members. The agreement between the Oconomowoc Lake Club and Heiliger Huegel Ski Club in Hubertus offers "A Day at the Club". This affords the OLC and HH members the chance to try out the amenities of another club. Lake Club members will be able to enjoy a day of either Alpine or Nordic skiing at no charge this winter. New to HH Ski Club is the Nordic ski area that opened in 2014. Look for more details enclosed in this mailing. Please contact me if you have any questions regarding , reciprocal Clubs.

Please note: anyone wishing to receive a copy of the 2014 annual financial report should contact Mary Wean.

EXCITING EATS

The neighborhood may be wondering what that amazing smell around the club is. Well, let me tell you. I've put a mouth watering smoked brisket on the regular menu! Members are saying it truly tastes as delicious as it smells. So, be sure to come to the club and try this dish soon as it's only here for the summer.

Don't forget to be sure to enjoy our new **Small Plates** which are available Friday and Saturday nights from 8:00-10:00pm, Dockside.

Executive Chef, Cole Singer

JUST DESSERTS

Summer is officially here. With this short season and so many wonderful outdoor activities, no one wants to spend unnecessary time in the kitchen. We all want good food and good times. Stop by the club for my new specialty chocolate dessert I've been whipping up in the kitchen. Or, try this month's featured recipe, which is a light, and easy no bake cheesecake, sure to be a big summer hit.

Pastry Chef, Kathy Budda

SAILING NEWS & NOTES

The 2015 sailing season is in full swing at the OLC. It is so nice to see the sailboats back on the water. Also, our youth sailors are back and ready to continue their progress from last year. The OLC Sailing program is proud to announce that we will be hosting the **2016 Wisconsin State MC Championships**. The top MC sailors in the state will be at the OLC for this two-day regatta. We can expect anywhere from 50 to 70 boats to compete.

MC Fleet

The MC fleet is sailing regularly now that the weather has started to cooperate. We were not sure if we were ever going to catch a break and get on the lake. The Club has 10 boats competing this year with several new faces like Elliott Fitch and Sam Fellows.

Zenda University (as seen to the right) was a great success again this year. On Thursday June 4th and Friday, June 5th, the OLC hosted the Zenda University Training Regatta for the third year in a row. 18 sailors from 6 states worked on and improved their sailing skills. We had perfect wind this year in the 10 to 13 mph range. We had nothing but rave reviews about the program and how incredible our Club is. We really have the best venue for hosting sailing events. One of the running jokes at every Zenda event is how full everyone is after Chef Cole gets done preparing our excellent meals. We were not sure if we were going to be able to move in our boats after being fed so well.

The OLC Fleet is looking for new sailors to join the fleet!!! We want to keep our fleet growing. The MC sailors will be happy to take you sailing on Thursday nights to let you experience the fun and thrill of sailing. Please feel free to join us if you are interested in getting involved with sailing.

Opti Fleet

Youth sailing instruction began on Monday, June 15th. The OLC has 8 enthusiastic sailors this year. The kids are excited to be back on the water.

Make sure you come to the Club on Wednesday nights!!! The Youth Sailors race every Wednesday night at 6pm. Currently, we have 4 sailors racing but expect several more to make the Wednesday night racing debut. Please come and cheer on our hard working youth sailors. They really appreciate your support and love showing off their sailing skills.

New this year is the Lake Country Opti program. This training program is held every other week at different lakes to provide on-the-water training. Several of our kids are participating in this valuable program. It is designed to provide coaching instruction to Opti Sailors as they practice their racing skills. The Sailors get training from the best Opti Instructors in the Lake Country area.

If you are interested in learning about sailing, please let me know. My cell phone is 414-745-3341 and email is jjf@wi.rr.com

See you on the lake!!!

OLC Sailing Chairman, Jeff Fellows

TENNIS NEWS & NOTES

Monday, July 20th is the deadline to enter club championship singles for men and women. Matches to be played by participant arrange until finals.

TNTT – Thursday Night Team Tennis

TNTT continues to thrive. If you are currently not on a team and would like to get involved, contact Jud. This is not the old “come if you can” Thursday night doubles. We have amped up the commitment level by having teams. This is not officially competitive tennis but it does have some structure behind it. This is a great weekly social tennis event for the Lake Club adult tennis community.

All adult drill classes are happening

Again, if you would like to come out and drill with us, we would love to have you. Call Jud if you have questions. It's a good hit, good exercise and good fun.

Junior Program Notes

All junior classes are off and running. It is not too late to start if you are not currently signed up. We would love to have you.

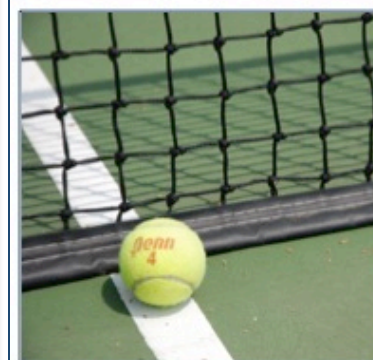

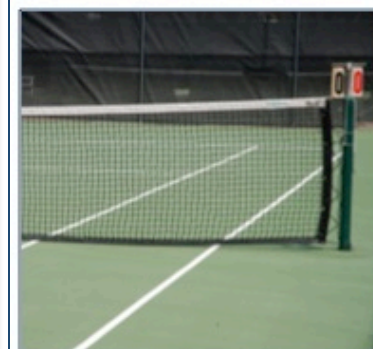

We will be signing kids up for club championships in the next couple of weeks and begin play in the month of July. We would like to get an early jump on getting these played this summer.

Pickle Ball

We are starting to introduce this activity with some of our senior men and also on Saturday mornings after our traditional men's drill and cardio. If you are curious about Pickle Ball and want to give it a try, be sure to contact Jud.
