COMMODORE'S SUMMER CELEBRATION

Summer in the Hamptons

SATURDAY, JULY 14TH 5:30 PM

MAKE YOUR
RESERVATIONS TODAY
FOR THE
EVENT OF THE YEAR!

A letter from the Commodore

Dear OLC Members,

With the summer tennis season in full swing, the timing is right to remind everyone of the tennis guest policy. The objective of the guest policy is overall fairness and protection of the exclusivity of our club.

Guests (excluding immediate family members) may play at OLC three (3) times during a calendar year, with a charge of \$10/guest per visit (charged to member account). If a guest is participating in an activity with one of our tennis professionals, there will be additional fees. Guests must always be accompanied by a member.

There is not always a tennis staff person on duty, so please register your guest(s) by texting (262-914-2178) or emailing Jud (judsonshaufler@yahoo.com). Let us let us know the name(s) of the guest(s) and the member to whom guest fees are to be charged.

The guest rule applies to juniors as well, and we encourage our juniors to bring guests periodically to their drills. (What a great way to showcase our staff and our outstanding junior program!)

Overall, guests are a great opportunity to introduce friends to the OLC and encourage membership. If you have any questions or concerns regarding the guest policy, please contact me; Kathy Burch-Fox, General Manager; or Jud Shaufler, Tennis Director.

Thank you for your cooperation.

Commodore Pierson

OLC Procedure Updates

Reciprocal Club Reservations

Reciprocal Club Dining Reservations: When visiting another area club for dining, please allow our staff to assist with you. Call or e-mail the OLC office (reservations@clubolc.com) with the following information: *Name of the club you would like to visit, date, and time you prefer.* We will contact you to confirm your reservation.

Golfing at Oconomowoc Golf Club: Golfing at OGC requires communication from our General Manager. Please notify us at least two days in advance of your estimated time of arrival for your round of golf. (There are no tee times at Oconomowoc Golf Club.) We will contact you to confirm your visit to the Oconomowoc Golf Club. Some restrictions may apply.

Phone: 262-567-4934 E-mail: reservations@clubolc.com

OLC Boat Launch

Call or e-mail to inform us when you will be using the boat launch. In addition, ask the marina or boat launching service to call or e-mail the club to schedule the arrival of your watercraft. The marina should specify how many watercraft they will be launching, a description of the watercraft, hull number, & member's name.

For example: "1 black Sylvan pontoon and 2 white Yamaha jets skis will be arriving June 7th, 2018, for Mr. OLC Member."

This will assist club staff with the arrival of your watercraft and ensures our boat launch is reserved for club members only.

Call me with any questions!

Sip for Thought

BY JARED WHEATON

For the July edition of the Docket, I've decided to stray from cocktail recipes and feature a sparkling wine, I feel, embodies the overall sense of Summer during the month of July.

This Crémant D'Alsace Rose' is made from 100% Pinot Noir and is full of elegance and charm. Fresh and discreetly fruity, it showcases fine bubbles and is semi-dry. The Pinot grapes are carefully selected and vinified according to traditional Methode Champenoise. After fermentation (Vin de Base), a second fermentation (Pris de Mousse), takes place within cool cellars. This wine is aged "Sur Lie," with daily horizontal to vertical bottle rotation, in order for the yeast deposit to accumulate in the neck of the bottle. Once the

yeast has settled, degorgement occurs, wherein the bottle neck is frozen and the sediment is ejected by natural pressure. Finally the bottle is corked and wired.

This pale pink fizz is fragrant, with soft strawberry notes that display themselves on a yeasty, rounded, softly frothing body. The palate is dry yet creamy, and is given extra structure by beautifully streamlined acidity.

-ANNE KREBIEHL MW
Contributing Editor for Wine Enthusiast

This wine is currently available and pairing capabilities are literally endless! Beyond versatile, the dry palate offers vibrant acidity along with tastes of strawberries, citrus, and subtle minerality. Refreshing, balanced, and seriously delicious!
