Club Update

Summer is finally upon us. It's wonderful to see the kids swimming at the lake, sail boats about, and the courts full of tennis players. Summer is a great time at the lake. A new amenity for the membership is the gas fire pit. The fire pit is just above the sandy beach near the lake side. Please feel free to visit the area with family and friends. If you see the Cottick or the Walterdorf families, please give them a big thank you for their generous donation.

Join us on the 4th for the fireworks. Our culinary team is providing a wonderful buffet dinner. BBQ ribs, chicken, and many other delectable delights. Make your reservations today. I hear that the fireworks on the lake are the best. I can't wait to enjoy the 4th of July with the OLC family.

When dining at the club we always appreciate a call to plan a table for you and your guests. We are accepting reservations on Dockside. No matter if it's for a quick bite in the afternoon, to-go food to eat on the boat, or a table of 10 people for Friday Night Fish Fry. We always appreciate a call.

Please suggest the club to friends and family who are interested in having an event. Our banquet coordinator, Sue White, is here at the club for any needs you may have. Whether you have questions about what size tablecloth will fit your dining room table, how to serve chicken salad for 45 people at your home or you are interested in having a bridal shower here at the club. Sue is here for any of your party planning needs. The club has many dates available this year and in 2018.

Happy 4th of July,

Kathy Burch-Fox
General Manager

Sip for Thought...

First and foremost, I'd like to extend an enormous THANK YOU to all those who were able to attend the Rombauer Vineyards dinner pairing! The vineyard representatives were extremely complimentary on your enthusiasm for their amazing products! For those who took advantage of the

member purchase opportunity, your orders have arrived and can be picked up at your convenience! For the July edition of the Docket, let's venture to Paso Robles, home of Austin Hope Wines, and take look at their 2012 Syrah.

Austin Hope

Austin Hope brings years of formal and informal education and experience to the Austin Hope Label. Between his time at Cal Poly, and his apprenticeships under Chuck Wagner and in the Rhône Valley, he has an intimate knowledge of the winemaking process, from vine to bottle. Austin Hope wine combines Austin's zest for life with his determination to make exceptional wine. The estate brand is an artisanal wine of small production. Oftentimes only available to the wine club and in the tasting room, there is rarely any left for our local, fine-wine shops.

While Austin's specialty is getting this exceptional wine into the bottle, he knows a fair bit about getting it out of the bottle too. He's the kind of guy you want have a drink with and his wine is the kind of wine you want to share with a friend. In an era when wine has become a business, Austin's still making it because he likes to drink it. He loves how it flavors the events and memories of our lives.

Vineyard:

The Austin Hope label sources its fruit from the Hope family estate vineyard. Located 20 miles from the ocean in the Templeton Gap district of Paso Robles, the Hope Family Vineyard is nestled in the coolest region of Paso Robles and is characterized by rich, rocky soil of clay and limestone. These characteristics produce the finest Rhône varieties in the region. Upon returning from his studies in the Rhône Valley of France, Austin Hope replanted the Hope Family Vineyard to varieties best suited to the unique microclimate. He planted close and pruned aggressively, asking very little of each plant. This technique produces elegant and refined wines with true Rhône characteristics. Maintaining a commitment to sustainability, the Hope Family Vineyard has been SIP certified (sustainability in practice) since 2009.

Wine Makers Notes:

The 2012 Austin Hope Syrah has a rich, deep purple color. It displays aromas of blackberry and earth. The textural wine has an invigorating acidity supporting flavors of blueberry, leather, and anise. The finish is long, with notes of smoked, herb-rubbed meats.

Tasting Notes:

Wine Enthusiast - "Aromas of lavender and ripe dark fruit abound on the nose, while forest floor and pine tar add nuance. The flavors are full of deep plum and black cherry, wrapped around an elegant butter-herb sauce quality."
The Wine Advocate - "The 2012 Syrah Austin Hope is 100% Syrah and offers the pretty, lively and pure style of the vintage. Sweet red and blackberry fruits, spring flowers, mint and creamy licorice come together nicely, and it's medium to full-bodied, silky and polished on the palate."

This is most definitely a big, bold, incredibly lush offering from Austin Hope! I was fortunate enough to taste this wine, as well as some other varietals with Assistant Winemaker Samantha Taylor. She is immensely passionate about her craft and has committed herself to continue to produce wonderfully bold, huge wines! Along with the Syrah offering, I will also have Austin Hope's Treana Cabernet Sauvignon and their Troublemaker Red Blend (Syrah, Zinfandel, Grenache, Mourvedre, & Petit Sirah). Both these additional offerings from Austin Hope Vineyards are intensely rich, velvety smooth, and overall just plain sneaky good!

Meet Our New Members!

The Bradford's

If you see our family on the lake or on the pier a lot, it's not because we are new to lake life – it's because we truly love lake living! Jeff and I met on Lake Mendota in the 90's when he was visiting Wisconsin from Texas. Both of us being former water ski team members immediately hit it off and Jeff eventually moved North.

We lived on Nagawicka Lake for 17 years for easy access to 94. As a partner in a large accounting firm, Jeff could commute to Milwaukee and I could go to Madison, where I was a TV and film producer. We love Lake Country and are thrilled to be on Oconomowoc Lake. We couldn't think of a greater place to raise our three daughters, Sarah 13, Payton 11 and Kate, 8. All three girls love to swim, waterski, snow ski, and play volleyball and soccer. We enjoy being part of the St. Charles community in Hartland.

We have big plans to do everything on and around the lake – live music, tennis, social events. The best times are the spontaneous summer nights with friends on the lake and we hope to continue to make that a priority.

We look forward to meeting many new people. Thanks for saying hello if you see us or drive by in the boat like some have done already!

Commodore's Cruise

Every Saturday this summer!

Join us for our cruise around the lake with your Commodore, Jef Fitch III. We will meet you at your pier and take you on a tour of the lake. Beer and wine will be available for purchase. The pontoon will arrive at the club for dinner. After dinner, we will return you to your pier.

Call the club today with your pick up time.

The OLC Fire pit has arrived and is ready for you to enjoy!
