## A MESSAGE FROM OUR COMMODORE

As summer comes to a close, I am thrilled to head into the fall season here at the Oconomowoc Lake Club. After having such a wonderful activity and event-filled summer season, we are excited to continue bringing you the best in service and accommodations here at the OLC.

With fall upon us, I invite you to think of the OLC when you're throwing your next party or gathering. Let our accommodating staff, stunning views, and inviting atmosphere take your event to the next level. Our event availability is never members-only—non-member or

community events are welcome at the OLC with sponsorship from a member. Please consider the OLC to be at your disposal for all your private and business event needs.

We pride ourselves in our dedication to providing you with a warm and inviting environment. However, we would be nothing without our wonderful members.

It is you and your families who makes the OLC the welcoming and tight-knit community that it is. We value each of you and we look forward to serving you throughout the coming season.

## FROM OUR CHIEF OPERATING OFFICER - MARY WEAN

As the Chief Operating Officer here at the Oconomowoc Lake Club, I would like to take the time to thank our members for all the wonderful feedback we've been getting from you. I want nothing more than to make sure that each member receives the highest levels of service possible. Our goal at the OLC is to make sure that each and every member is getting the personalized service experience that they deserve. In order to serve you better, we need to know how we are doing. Please send us feedback on the experiences you've had here in these last few months at the OLC. Tell us anything—from the events you did or didn't like, to activities you'd like to see offered, to what dishes you'd like Chef Cole to make. We want to hear it all.

It is my job to make sure you are happy and that the OLC is living up to your high standards. We want every visit to be marked with a personal touch that is crafted just for you. Let us know what you think and we will serve you better.

## ENGAGING EVENTS FROM OUR SOCIAL EVENTS MANAGER - SUE WHITE

Our summer season was certainly packed full with lots of fun and engaging events. Many happy memories were created and shared from a rollicking scavenger hunt to the dazzling White Party.

Word must be getting out that the OLC is the place to be, as I am happy to announce that our next major event will be the New Member Mixer on Friday, September 12th at 5 p.m. in Sam's Bistro. All members are encouraged to bring friends and family to enjoy live piano music and complimentary wine, beer and light appetizers from 5:00 to 6:30.

Come and join us as we welcome our new members into our community with open arms.

## THE HEART OF THE OLC... BEHIND THE SCENES WITH COLE SINGER

As Head Chef since March, 2014, Cole Singer has been a welcome addition to the Oconomowoc Lake Club family.

What Cole loves about Wisconsinites and the OLC members in particular, is how passionate they are about their history and traditions. Cole not only loves to cook food, he also loves learning about its history as well. Traditions like our Friday Night Fish Frys with its Catholic and Prohibition roots and our love of wild fish and game like duck, venison, and walleye is why Cole loves cooking in Southeast Wisconsin so much.

Cole is honored to be a part of a club where members have made the OLC part of their own family traditions and the sense of community that dedication fosters. He and his staff strive to make sure that every member feels their stay is

special and tailored to meet their wants and needs. After all, his kitchen's motto is indeed to "just say yes."

## COLE'S SIGNATURE STYLE

As the air becomes crisp and the days slowly cool, the fall begins its delicious annual offering of root vegetables, squashes, and pumpkins galore. I am excited to work with our local community's farmers to offer you a new seasonal menu here at the OLC. We'll keep you warm throughout the autumn months with comforting favorites like homemade apple pie, meaty stews, delicious gratins, and many more mouth-watering delicacies.

Be sure to keep an eye out for our new seasonal menus and specials as we roll into the fall season over the next few weeks. Stop in for dinner today and let me and my kitchen serve you better.

## A SPECIAL NOTE

We would like to take a moment to express our deepest condolences to the Sproule family on the passing of John Sproule, long-time member of the Club. And also to the Henszey family on the passing of Mary Henszey, a past member of the club.

Our thoughts and prayers are with both of these families as they grieve the loss of their loved ones. John and Mary will both be dearly missed.
