JULY 2021

Happy July, OLC Members!

Thank you very much for your patience so far this summer. The OLC has been working very hard to bring in additional staff to accommodate all of our members. Our goal is to provide you an experience of exceptionalism every time you step into the Club. However, until we can reach a staffing level that gives us confidence where we can offer this exceptional experience, the OLC Board has implemented a waiting list for any new members. Right now, we need your help through reservations. We know it is a hard habit for our long-standing members to break and to not just to show up at the Club, but reservations allow us to make sure we can offer you an enjoyable afternoon or evening.

It brings great joy to see all of our tennis courts full from our Women's and Men's drills to our Youth Programs. If you have not had a chance to play in our Monday night offering, Champions of the Night, I would highly recommend it. At this unique night, children over the age of fourteen are invited to play along with the adults in a high-impact event. Playing along with our high school elite is sure to bring a smile to your face. Please remember the golden rule with all tennis offerings, reservations!

As we enter the midpoint of summer, the OLC has a lot to offer. The OLC fleet of sailboats is always ready to teach the next skipper how to grace the waters. So please reach out to the OLC, and we will get you paired up. We also have paddleboards and kayaks available for rental.

Finally, a huge thank you to Mike and Melissa Bickler for bringing light to the Pier. Mike and Melissa oversaw and installed the lights at Dockside. I know all of us who dine into the night will be thinking of both of you.

Yours in the OLC,

Bill Sturm

A LETTER FROM OUR GENERAL MANAGER

Welcome to July!

It can't be that we are already one month into our peak season. June flew by and July looks to be doing the same.

What a difference a year makes. A year ago, each day had the question mark hanging over it, wondering if the OLC would be like other clubs or businesses who had to close their doors for a couple of weeks due to an outbreak of COVID. That feels like a lifetime ago. I have really enjoyed getting to know the members better this year. I personally struggled with making connections with our members while having to wear a mask. If our Mother's Day Brunch was any indication, it seems that a large part of membership was ready to try and get back to life pre-COVID.

We were sorry that some of our member planned events had to be postponed in June due to inclement weather. We hope to fit some of them in yet during the summer if scheduling permits. Dockside is all aglow with the new lighting on the pier that Mike and Melissa Bickler, Jr. with some helping hands of other members. Thank you to all of you. It has added a beautiful ambiance to late night dining on the pier.

We are hoping that many of the members will join us for our Ambassador Gala on Friday August 6, 2021. James has been working hard on making this a special event for the members. As a prelude to this event, you will be seeing interviews on our social media from members that have been with the Club for many, many years sharing their memories from the past through today. Please be sure to follow, like, share and comment on those postings that you see through Facebook, Instagram, and LinkedIn.

OLC is like every other business right now, looking for staff. Rick, our head of maintenance could use some help whether it be for the remainder of the summer, or even better, beyond that. If you know of anyone that might be looking for work please let them know we are hiring. Before we know it our college kids will be retuning to school at the end of August and that is always a time that we are looking to hire for the off season.

Remember to keep watching your emails for all information that is OLC. We have a number of events coming up that we think you will enjoy.

For now, I hope you enjoy the rest of your summer and look forward to seeing you at the Club.

All the best,

General Manager

THE FUTURE

The vision of Sam's Bistro went in line with respecting the history of the club while also following the update of the gorgeous Commodore Dining Room. After a very successful Fall & Winter hosted in the Commodore Room, the excitement and anticipation of an updated bar area remained in full swing. Collaborative Design envisioned a focal point of the fireplace, which is a "hot" commodity in the wintertime, to replace the center window and draw the crowd's eye to the center of the room.

The plan is to walk directly into Sam's Bistro, rather than sneak around the corner and the mystery of where you are headed would be obsolete. The refinished fireplace would draw the eye to the center of the room where all members can enjoy the warmth and glow of the fireplace throughout the entire bar. Intimate tables and booths will be housed on either side of the entrance and a new back-drop to the incredibly dazzling bar will amaze all.
