## FROM OUR COMMODORE

This month I'd like to take the time to thank our members for all their efforts in helping make the Oconomowoc Lake Club the premier club it is today. Each and every one of you help form the unique and vibrant community that makes the OLC near and dear to our hearts.

One of the most wonderful things that our members bring to the OLC is their enormous generosity. The amount of generosity given-of both time and resources-is one of the reasons why our members are so special here at the OLC. Our members interact with us and each other every day.

You not only help us keep our standards high, but you also inspire us to keep raising the bar as we strive to continually serve you better.

As we look to grow our OLC community, we know that the reason we get more members is because of you. It is our long-time members who give us the cherished traditions and history that attracts new members. You've shown us time and again how important this club is to you and your families. We are honored to be a part of your lives and look forward to helping you create more timeless memories this fall at the OLC.

Campers enjoyed everything from cooking with Chief Kathy, tennis with Jud and his staff, canoeing, crafts, fishing, and more.

## Our first ever White Party raised \$5000 for the Oconomowoc Area Foundation.

Everyone that attended the Father/Daughter Dance and themed Pier Parties enjoyed a wonderful evenings with us at the OLC.

**Looking forward to this fall**, we have a number of fun events planned for the upcoming months. The Halloween party will be better and more fun than ever. Look for two entire floors of holiday shopping at our Ladies Night Out event. And we are pleased to announce that Jenny Thiel will be performing in December at the Commodore's Holiday Party.

**Thank you again for such a wonderful season and as always**, we are honored that you have chosen us as your premier club of choice.

## FROM OUR SOCIAL EVENTS MANAGER - SUE WHITE

With a wonderful summer season behind us, we are looking forward to the wonderful new events at the OLC this fall. We are constantly striving to bring fresh, new, and innovative ideas to create events that our members will never forget.

Our highlighted event this month is the Family Halloween Party on Friday, October 17th. Dress up in your spookiest costumes and join us for a night of food, games, and most importantly, fun!

I'm also thrilled to announce that the OLC is coming out with a brand new Banquet Booklet Event Guide. We want you to think of the OLC first when you're looking for a place to hold your events-whether it's your child's birthday party or your golden wedding anniversary.

We're excited for our members to learn about all the wonderful ways we can serve them and their needs. Call our event planning team to find out how we can create something special and unique for you today

## FROM OUR CHIEF OPERATING OFFICER - MARY WEAN

**Looking back over the summer, we had a number of successes.** Many young and old enjoyed the use of our new lakefront equipment. Members tried out paddle boards, kayaks, canoes, and the new swim raft. Pontoon boat rentals were also a popular choice. The new TNT tennis program was also a great success. Participants enjoyed a weekly evening of social tennis and dinner every Thursday.

## The July Kids Camp had a record number of participants.

Michelle Thomas did a fantastic job planning and running the program this year.

## SUMMER 2014 SAILING SUCCESSES - JEFF FELLOWS

---

We had a wonderful summer season for both our adult and junior sailing programs here at the OLC. I'd like to thank everyone for all their help and support and share a few highlights from the season:

**The overall successes of the Youth program** are due in part to two of our great instructors, Alex Kunz and Tommy Groskopf. They've been there for three years and look forward to coming back next year. They are great instructors and they care as much as the parents and the kids about their outcomes.

**One of the highlights of the Youth program was Jackson Walker's hard-earned win at the Kaszube Cup Regatta.** He won his age group and the entire regatta and we are very proud of all the hard work he put in to do so.

**On the adult side,** the fleet continues to grow. We had 10 boats to start out the season and we increase every year. Our list of events has been growing and we were honored to host the Lake Country Regatta this year.

**We are a fleet who wants to learn, to better compete, to have fun, and to hang out with each other as friends.** Anyone is welcome to join us for sailing or judging. We're always looking for more kids to try out sailing. We have two great instructors who are wonderful at assessing skill levels and making sure that things stay fun and a great learning experience. We are so grateful for all the wonderful memories we made this year and look forward to making even more next summer.

## KIDS' ACTIVITIES & PROGRAMS - BRIDGET SHEAHAN

---

The Kids' Programs and Activities had a wonderfully successful summer here at the OLC. Here are some of the highlights of the season:

**The biggest highlight of the season was The Fishoree.** The kids loved getting out there to fish with their whole family. We had lots of fun prizes and the competition was very well attended.

**The Father/Daughter Dance was another success.** With a "Hollywood Glam" theme, the girls got their pictures taken on arrival, enjoyed a delicious dinner, and had a blast while dancing up a storm to the DJ.

**The Family Scavenger Hunt on the lake was another great event this summer.** Everyone had a wonderful time dressing up as pirates and chasing each other around. We had great attendance and hope to make this event a new tradition here at the OLC.

We had so much fun this summer with the Kids' Programs and we're looking forward to bringing you even more memorable and fun events this fall. In October we will be hosting the Family Halloween Party. Everyone-adults and children-are encouraged to dress-up in their costumed best and join us for spooky treats and fun games.

If you and your family would like to join us next summer, be sure and check the club calendar on our website in Spring 2015-we can't wait to see you!

## SUMMER 2014 TENNIS SUCCESSES - JUD SHAUFLER

---

I'd like to extend a huge thank you to the OLC and its members for yet another great summer on the tennis courts. Here are a few of the season's highlights:

### **The Thursday Night Team Tennis**

Our tennis community really came out and created a great social tennis experience. The captains of the four teams need to be congratulated for promoting and celebrating it: the Piersons, the Joerres, the Sturm, Benn DiPasquale, and Joe Leahy. It wouldn't have worked without them.

### **The Juniors' Program**

We had good, consistent numbers with some great players involved. Juniors' tennis is the heartbeat of the club-working with kids of all ages and abilities is always so fun and rewarding.

We had great interest and energy for the Saturday Morning Men's Drills, with men of all ages and abilities stopping by for a great time.

We also had a tremendously good summer for the Ladies' Day League team. This summer we went all the way to the state playoffs and then on to regionals in Indianapolis, IN. So, congratulations to all three teams who had such great seasons.

### **The Rose and Blue Ribbon Mixed Doubles**

It important to recognize and honor some of the traditional events that we've had for years. They are wonderful events that help foster community and diversity with teams of all ages and genders coming together to play a sport they love.

We have a wonderful tennis staff here at the OLC and we feel blessed to be able to sustain them and keep them together. The relationships and community they've built with the members is an invaluable gift to this club and enable our members to consistently improve their game.

**One last thank you to Mary and Rick.** You've both been wonderful leaders at the OLC and absolutely wonderful to work with. It's been a pleasure getting to spend the summer at the OLC and I look forward to the start of the next season.

## SOCIAL EVENTS - JULIA SYBURG

---

Our members made this summer's social calendar a rousing success with many well-attended events and parties. Here are a few highlights from the season:

Our first ever White Party was a beautiful event, taking us into a new area of helping to support the Oconomowoc Area foundation.

Our first Pier Party of the year was a rousing success with the club open for dining and a band upstairs that gave the whole party a wonderful atmosphere. The final Pier Party was really nicely attended. Our members had a blast dressing up and prizes such as

the "Perpetual Plank of Pier" award were revived and handed out. Our latest New Member Mixer was wonderfully attended and we look forward to seeing all the new faces around the club for the next season.

I'm very excited for our upcoming social events this fall. Ladies' Night Out in November is going to be amazing with an unprecedented two floors of vendors. Come join us for a glamorous night of delicious hors d'oeuvres, bubbly champagne, and shop till you drop for all your hostess and holiday gifts for the upcoming season.
