Hello OLC Members,

We are off to a beautiful summer. I had the opportunity to sail with past commodores; Mr. Pierson, Mr. Fellows, and Mr. Fitch, along with Dr. Fischer & Mr. Mortonson.

What an excellent opportunity to experience the lake in a new way! I want to personally thank Mr. Fitch for his instruction and wisdom as we sailed around the lake. I would highly encourage you to try it yourself. Tuesday nights are a great day to do this. Please contact Mr. Fitch or Mr. Fellows if you are interested.

This year, our membership is up 12%, we anticipate that number to continue to climb.

We appreciate your help in making reservations. Reservations allow us to keep you, your family, and your guests safe. Please continue to make reservations for any use of the club. Speaking of guests, we have also seen a lot of members bringing in guests to the club and thought it would be a great time to remind everyone of the guest rules.

OLC Use Rules:

- OLC members must be present with any guest at the club.
- Any family member over the age of 25 is considered a guest.
- A guest may only use the tennis facility three times per year.
- For any visiting house guest, you may request a temporary membership application through Julie.
- Guests are welcome to dine with us as often as you would like again as long as you are present.
- Sailing members may only use the club immediately following a sailing event.

We appreciate you abiding by our long-standing bylaws. We would be happy to answer any questions that you have to avoid any uncomfortable situations. Per my request, the OLC team has been asked to enforce these rules.

Yours in the OLC,

William Sturm

A LETTER FROM OUR GENERAL MANAGER

I cannot believe that June was here and is gone! Wow that went by fast!

We have had many things happening at OLC this past month and many more to come for the remainder of the season. We had the Frank Family virtual wine tastings, Friday fun days began, the first of three Kidsventure Camps along with OLC's first ever Flick and Float in June. Coming up in July we start Wakeboard Wednesday's with Tinus Marine, our annual 4th of July celebration, another movie night on the pier is scheduled and our first Bloody & Bene bar of the season. The Annual Kids camp will start on July 7th and a second Kidsventure Camp towards the end of the month.

We have seen a lot of activity at the club and are seeing member usage exceed last June's numbers which is very exciting! Please make sure and watch your emails and Docket as we will be changing up the Dockside menu every three weeks to keep things interesting! Just this past weekend I got to see the amazing 3 POUND Tomahawk Steaks that the kitchen had in for a feature. To say they looked amazing was an understatement. Jared will be getting information out to the members on the Hugh Davies Virtual Wine tasting scheduled for the middle of July so keep those eyes open.

Included in the Docket you will find a copy of a letter we will be emailing to the membership along with a promotional postcard about OLC. We have had a great number of people contact the club about membership and look forward, with the help of our members to increase that number to our goal of 250 by the end of the summer. We will have this promotional material available to everyone, should you know of a prospective member, please just reach out to us and we can get you either hard copies or digital versions to share with your family, friends and neighbors.

As COVID has continued to guide us as a club as to how we can safely reopen and ensure our member's and guest's safety, we want to establish some new policies that will take place in our dining rooms, beginning this coming weekend. The service and menu that we have established has driven a spike in membership, member spending in the dining room and the ease of mind for much of our respected members and guests:

- Reservations will only be accepted via phone call or email.
- Reservations can be made up to one (1) week in advance.
- On weekends, reservations need to be made 30 minutes in advance before arriving at the club.
- For reservations that will require special, non-Dockside menus, please contact our event coordinator Maggie Miller at maggie@clubolc.com.
- For special dining locations (*Great Hall, Library or Terrace*) we request 48 hours' notice to allow for proper staffing.
- "To-Go" orders for boats require 30-minute lead time.
- All boat reservations where meals are served on china will be considered a dining reservation and we ask for at least 30 minutes notice prior to arrival.
- Parties of 4 or smaller can be accommodated at the bar for dining.
- "To-Go" orders for evenings must be called in by 6 pm. Pickup is available throughout the evening.
- Tables will be held for 15 minutes and then passed along to any waiting party.
- We will not accept reciprocal reservations on weekends, holidays, or member only events.
- ALL reciprocal dining requests must be made through management, should you want to dine at another club.
- All non-member guest payments will need to be approved by the hosting member before staff can accept.

I hope everyone has a wonderful July and we will see you soon!

Enjoy the day!

BOZAL ARTESANAL MEZCAL CASUAL TASTING

FRIDAY, JULY 10TH | 6:00 PM | \$10++

Experience something extra special with wildly refined Mezcal offerings from Bozal! 6 different offerings! Varying Maguey and regionality characteristics! Bozal uses an artisanal approach toward production in order to create an unadulterated style of mezcal. In keeping with the 200-year-old tradition, the agave hearts are cooked in earthen pit ovens, later to be crushed and mashed by a stone Tehona wheel turned by a horse. Without addition of artificial yeast, open air fermentation allows the sugars to ferment utilizing naturally occurring yeast. The Mezcal is then purified through a double distillation process. This tasting will encompass Ensamble, Single Maguey, and Reserva offerings.

On the steep precarious hillsides of Oaxaca, Guerrero and Durango varieties of agave, indigenous to the region, grow wild and are heavily sought after by the local mezcaleros. These varieties produce flavors that are exotically intense, with rich earth tones and savory smokiness. From the heart of the maguey these flavors are traditionally extracted to produce mezcal that is wildly refined. Because we at Bozal believe that something wild produces a far richer spirit.
