# Club Update

We are ready to reopen on Thursday, March 15<sup>th</sup>. All three floors of the clubhouse have been refreshed. Rick and his team have been working on cleaning carpets, touching up the paint, and deep cleaning the club. In the office, Maddy and Denise have been working on painting the cottage. It's amazing what a fresh coat paint can do! The food and beverage team and I have recharged our batteries and are ready for the busy season ahead.

Easter is early this year, April 1st . Don't forget to make your reservation for our brunch buffet soon. Chef Nancy will be making her famous eggs benedict! The petting zoo will be back for the kids and of course the adults.

In April we will be beginning to update the membership directory. Our target is to have the new directory ready by Memorial Day weekend. Take a moment and review your information from the 2017 directory. Do we have all your information correct? Phone number, address, children and ages? Do we have a current photo of your family? Maddy is awaiting your call or email, [olc@clubolc.com](mailto:olc@clubolc.com) with your directory changes.

Do you have friends and business associates that are considering membership? Whether it's for a member mixer, lunch on the pier, or an evening in the Commodore Room; invite them to the club. I would love to have your friends or business associates as my guest. Delight them with everything that you love about the Oconomowoc Lake Club. Treat them to the best cuisine and service in the Lake Country area and show off the beautiful picturesque views of the lake. Could they be interested in our tennis, sailing, or youth summer activities? After all, summer is right around the corner. Call me for more details.

Yours Always,  
Kathy Burch-Fox
