## FROM THE COMMODORE

*Summer has begun*

With Memorial Day behind us, the summer has officially begun at the Lake Club! Throughout the summer we will be celebrating the Club's 125th anniversary, culminating in a three-day celebration August 14-16th.

On Friday, August 14th we'll start off the festivities with the Cocktail Party & Trivia Night. Start brushing up on your Lake Club history now for a chance to win the ultimate bragging rights! It'll be a fantastic night of fun and live music by Club-favorite Jenny Thiel.

Saturday brings the main event - a Great Gatsby-themed, black tie gala. Dance the night away to live music by the George Busateri Band after enjoying a delicious dinner in the Commodore.

To make the Gala truly memorable, we need your help! Please let us know if you'd like to volunteer to be a table captain for this auspicious event. For more information or to sign-up, please contact Mary Wean.

Our final event of the weekend will be a Family Day Carnival. There will be something for members of all ages with games, fun, and festivities galore!

I look forward to seeing all of you at the Club this summer to celebrate this historical summer together.

As always, we're constantly looking for ways to use fresh, local ingredients to bring delicious, seasonal dishes to our members!

I'm also excited about our second annual Pig 'n' Pinot on the Pier! We've pulled out all the stops and have some unique pinot noirs coming in just for this event. You won't want to miss out on this fantastic gathering, so make sure to make your reservations today.

## JUST DESSERTS

*Kathy Budda*

With the summer right around the corner, we have a plethora of wonderful fresh fruits to use in a number of different ways. One of my favorites is Blueberry Buckle. Check out the recipe included. Try this sweet and moist coffee cake for breakfast or brunch. You may substitute other berries like raspberries, strawberries, black berries, or currants. Also freezes well.

Right now rhubarb is readily available to use in pies and crisps and can be found at your local farmers market. Up and coming, strawberries, currants, raspberries and Georgia peaches! Yum! Looking forward to days ahead for ways to use all your favorite summer fruits.
