## A MESSAGE FROM OUR COMMODORE

Summer is for making memories and the Oconomowoc Lake Club is thrilled that you and your families have chosen to make so many of them here this summer. From a tiki torch lit beach party to dining with your canine companions, what's made each event so special this summer is the presence and enthusiasm of our members.

The OLC prides itself on being a place where friends and family can gather together to celebrate, socialize, or even just play a mean game of tennis. We aim to provide you with all the comforts of a home-away-from-home,

making sure that each time you're here is better than the last. Whether you're partaking in one of our traditions like our Friday fish fry or trying something new like taking a paddle board out for a spin on the lake, we're proud that you've chosen us as your premier club.

Even though the summer is drawing to a close, our gates remain open almost all year-round here at the OLC. We are excited to be bringing you new events and activities at the OLC all throughout the fall and winter. Keep an eye out on the Cue section as part of our website for the new and exciting developments to come.

## FROM OUR CHIEF OPERATING OFFICER - MARY WEAN

As the Chief Operating Officer here at the Oconomowoc Lake Club, I would like to take the time to thank our members for all the wonderful feedback we've been getting from you. I want nothing more than to make sure that each member receives the highest levels of service possible.

Please do not hesitate to let me know if you need anything, or if you feel that there is something that needs to be addressed at the OLC. Also, let us know what you like! With all the new events and activities happening at the OLC we want to know what you love so we can keep providing you with the experiences and community that you deserve.

## ENGAGING EVENTS FROM OUR SOCIAL EVENTS MANAGER - SUE WHITE

Our featured event this month is none other than the Pier Tie-Up Party on Saturday, August 23 at 6:00 p.m. View Pier Party Details

Experience the Caribbean right here in Wisconsin with our Island-themed bash. Follow the tiki torches to a star-lit pier decorated with pops of tropical color as the sounds of a steel drum Calypso band gets you in an "Island" frame of mind.

Decorate your boat and "crew" with your best Island style for a chance at winning the Best Dressed prize. And once the sun sets, you and your family can gather around the Lakefront Fire Pit to enjoy the beautiful summer night.

Stay tuned for more Engaging Events here at the OLC as we roll out new and exciting events for the Fall and Winter seasons.

WE ARE PLEASED TO WELCOME...

## THE HEART OF THE OLC... BEHIND THE SCENES WITH KATHY BUDDA

There are few restaurants in the Milwaukee area that have the luxury of an in-house pastry chef—fortunately for the OLC, the Commodore is one of those lucky few. For many years OLC members have enjoyed the delicious, made-from-scratch treats that the club's resident baker, Kathy Budda, has been whipping up in the Commodore's kitchen.

One of Kathy's favorite aspects of her job is getting custom requests for parties from OLC members, "I love working with somebody—challenge me! If somebody just throws an idea at me—I just love that," said Budda. She covets new recipes and would love for more members to pass along their family recipes so she can adapt them and feature them on the menu.

Budda also encourages members to customize their dining experiences at the club by giving her a call in the mornings with any special requests. Said Kathy, "If there's something you want—call. Just give me enough notice and if you're coming in on a Friday and you want carrot cake, I'll make it for you!"

## CONTEMPORARY CUISINE FROM OUR CHEF - COLE SINGER

Looking forward to the season ahead, I am excited to introduce members to my signature style as I take you on a journey of what makes my kitchen 'the best' in the Lake Country! It has been an honor working with the OLC through my first summer season and I have greatly enjoyed getting to know all of the members,

family and guests. Stay tuned and join me through the fall and winter months to see what drives me to be the best chef I can be for you at the OLC!
