A LETTER FROM OUR GENERAL MANAGER

"August is like the Sunday of Summer." I saw this quote and thought, how true. The anticipation of a new school year starting, autumn weather just around the corner, buying school supplies and new school clothes are imminent as our nights get just a little bit cooler and the summer days just a little shorter. Time has seemed to just slip by faster and faster each week this summer, but what an amazing 2021 summer season it has been. We have experienced more rain than last year, but all in all I will not complain on what a beautiful season it has been.

We have experienced some staffing changes on the management level. We had hired a new private events coordinator at the end of May and were looking forward to having that position filled full time again. Unfortunately, a family emergency arose that caused her to leave the workforce. After considering what was best for the club, I made the decision to move Jenny from our Front of the House Manager to our Private Event Coordinator. With the 11+ years of experience that Jenny has and how she knows the club like the back of her hand, it felt like a natural fit. This brought Sandy Gonyo to the OLC team. Sandy will be taking over Jenny's position and work alongside James for member dining. She has many years of hospitality experience and looks to be a good fit for this position. Next time you are at the club please say hello, introduce yourselves, and make her feel at home.

Last week's Ambassador Gala was a great success! Thank you to all of our members that were able to join us that night. James did an outstanding job organizing this event with his committee of members. Nancy her team offered an amazing dining experience while Jared, Jenny, and their teams took great care of the members. A special thanks to: Dr. Mary Fox and Col. Tim Reynolds for the specialty drink sponsorship, Michele and Derek Pawlak for the champagne sponsorship, Kathy and Chris Sauvé for the centerpieces and Tinus Marine for the dessert sponsorship.

We now have an easier way for our members to pay their statements. This is through the member portal (upper right-hand corner) of the website. You will need your member number and password to access this portion of the website as it is not open to the general public. If you need assistance with this information please reach out to Maddy by calling the club or sending her an email at olc@clubolc.com and she can get you the information you need to login. Once you have accessed your account you will want to look on the left side of the page towards the middle and click on "My Account", from there you will choose "Make a Payment. You then have the option to pay by credit card

CONTINUED ON PAGE 2

(there is a 3% processing fee associated with this type of payment or set up and ACH payment. I am including a screen shot (see below) for your reference. Please feel free to reach out to me if you have any questions on this or need help walking you through the process the first time.

I hope that all of our members enjoy these last few weeks of August! We are starting to see a lot of our staff leaving for the season as they prepare for their fall classes away at school. We wish them the very best and hope that they will be with us again in 2022!

Enjoy the day!

All the best,

Julie Bartol

THE AMBASSADOR GALA

HORIZONS OF OUR FUTURE

A very big and sincere thank you to everyone that attended our Ambassador Gala on Friday evening. Through your efforts, we raised over \$150,000, which will help finish Sam's Bistro during this year's shutdown. During Friday's event, Collaborative Design released our preliminary renderings for Dockside. The anticipation and excitement for these drawings have been long-awaited since we started our updates in 2019. The renderings include a refreshed vision of Dockside, a much-needed expanded kitchen, and more seating for inside service. These projects would be impossible to do without your generous contributions and support, so thank you!

Our Ambassador Gala centered around what it truly means to be an "ambassador." A simple definition for ambassador is a representative. Each of our members becomes an ambassador when they bring guests, mention the club, or share on social media. By being "ambassadors" of the OLC, our club has hit historic records that have been long-awaited for many years, including a waitlist for membership.

Thank you for believing in your club, your team, and your Board of Directors to make this a place truly like no other. In the

words of Mr. Augie Pabst, "treasure what we have."

Dockside will be the greatest undertaking that this club has seen in many years, totaling around \$1 Million. Dockside remains the highest-trafficked area for our members and by having this space updated sooner, the greater exposure for our club and our future. We expect to begin the Dockside project following our 2022 season, being ready for our members by the summer of 2023.

For our members that did not attend the Gala but would still like to contribute, there is still plenty of time to give. Please feel free to reach out to Mr. Fuzzy Marek or Mr. Warren Pierson, our chairs for our capital campaign. We still have naming rights available at certain levels.

As you consider contributing to the OLC, remember the memories that have been created for your family & friends. This place truly is like no other and we will want to build our future for many generations ahead.
